

## **AAIS Report for Fall Assembly 2017**

The AAIS is doing well. We are selling literature and taking phone calls, offering experience, strength, and hope as needed. We had a great Chili Dinner Fundraiser, which was not only successful, but was lots of fun. Thanks to everyone who helped and attended—everyone enjoyed the annual line dancing and dessert auction, along with the yummy chilis and soups brought by many.

We also had a very successful “An Evening in Al-Anon” event that we sponsored with District 3. It was very well attended and those attending heard much sharing about the benefits of service, from newer and long-time members. As a result, we even had a number of new volunteers ask to help out at the AAIS. Way cool!

We appreciate all of our current volunteers—we couldn’t do it without you—and invite anyone who would like to learn more to speak with any of us at the Fall Assembly. We’ll be happy to help you learn how you can be involved, too.

I want to personally thank those members of our AAIS Board—they are fantastic and are great examples of the principles we learn in Al-Anon.

We also thank all of the members who donate financially to the AAIS. You help keep us going, allowing the AAIS to serve our Area, along with enabling us to buy all of the great literature to sell to Area members. Please take a look at the great display at the Fall Assembly to see some of the great books and pamphlets we have to help us all.

Thank you for allowing me to serve. Have a wonderful day!

Ciao!
