Else made a motion to have the district pay for the Alateen materials June had purchased. Carma seconded the motion. The motion passed.

We no longer have a Public Outreach Coordinator. June will check and see where the AFA's and schedules have been put. She e-mail a copy of the schedule to each GR. She will also bring hard copies to the party on Saturday.

Else reported that the Alateen group is finally getting members. She and June are the only AMIAS at the present time. Carma said she will get her AMIAS. We will also announce at the party that we need Alateen sponsors. Else will be the main sponsor, but she need another person in the room.

Nancy W. is chairing this years Delegates Day. It will be June 20th. They are looking for a location in Utah County. They want to make it an all day event with activities as well as the report. They might have an Alateen Fundraiser breakfast. They would like a second room for breakout sessions. She will ask for more help closer to the event.

Else would like to get more GR's out to the district meeting. She will check with Ashley to see if she is still willing to represent the Thursday Let it Begin With Me group. We need a GR for the Tuesday Noon Courage to Change Group.

Don't forget to remind your groups about the party on Saturday. Chris is the speaker. Else is bringing the chicken and gravy. Marcie is getting rice for 40

people from Panda Express. June will contact her and make sure the rice is at St. Mary's at 5:00 if Marcie is unable to attend. Lou Ann has the key and will be there at 5:00 to let everyone in. She will also contact Ashley at St Marys to find out how they want rent payment on the room. Else has a few door prizes and Lou Ann will bring some as well.
