

Fall 2023 Assembly

District 9 – District Representative Report

District 9 has two active meetings - one in Moab and one in Monticello. This District has not had a District Representative for many years. I stepped up to serve as DR in Spring 2023 after contacting each group and gaining their vote. The Monticello meeting has three members who meet in-person, and 2-3 that call in to join the meeting. The Moab meeting has 5-8 active members who attend regularly and two members who zoom in each week. COVID impacted the attendance of the Moab meeting. I plan to seek input from the groups on creating a district budget, filling District officer positions, and hosting a district event.

Respectfully submitted: Jan Rastall, DR, D-9
