

Area 55 AAPP Report

I'm happy to report that our area has 32 registered AMIAS.

District 1 has 12

District 3 has 8

District 6 has 4

District 8 has 10

We are right in the middle of recertification. The DAP's have been contacting the AMIAS in their district with some questions and they verify their contact information and report back to me. I then update the records on the WSO records site.

Last year was the first year that we implemented needing new fingerprints taken every 3 years. There were a bunch that had not been done in years but everyone who needed to did a great job getting in and getting their prints done. That helped make this year so much easier.

This year we only have 2 that will need to redo their fingerprints.

Part of recertification is also a training that needs to be done yearly. Ked is awesome at making sure that training is worthwhile and gets done.

We have a new Alateen group in district one in the Logan Area - that is great news!

I am grateful to be of service.
