

FORUM REPORT

Recently I have been visiting Zoom meetings. I have really enjoyed sharing information about the Forum and sharing meetings with groups outside the Salt Lake City Area.

I mostly share about the wonderful information available in the Forum. There is information on Al-Anon groups, Alateen groups, Adult children groups, and information about world service. I have learned a lot about what happens at world service that I didn't know. The Forum gives suggestions on meeting topics and even asks for sharings from anyone who would like to become published in the Forum.

In the back of the Forum, or on the website, you can find out how to subscribe to this meeting in your pocket. (The Forum) The Forum also comes in Spanish and French and is only \$11.00 for a whole year subscription.

At the Spring Assembly I will also bring my extra copies of the Forum to give away and share with any GR's.

Thanks for all you do Lynnette.
