

Web Coordinator Fall Assembly 2024 Report

From Spring:

Please go to utah-alanon.org. Visit every page, including district pages and meeting pages, that you are “responsible” for or that relates to you and verify that the information is complete.

Suggestions for improvements are always welcome. Please forward them to: utahweb@utah-alanon.org.

Meetings Corrections: If there are corrections to a Printable Complete District Meeting Schedule or an individual meeting card page, please let me know. If you are changing a meeting coordinate the change through the person in charge of group records for your District.

I apologize for the service being a little slower in the past few months. I have had a lot of personal things pulling on my attention. It should get better now!
