

# **HELLO! It is 2025! Already!**

Or, maybe I should ask, "All Ready?"

And by this, I mean are we already re-certified?

**I mean are we ALL READY to be re-certified?**

All AMIAS volunteers are required to recertify annually. We are asked to complete our recertification by a certain date locally (Area) in order to have the process completed nationally (World Service Office). The Area APP -Alateen Process Person – will contact the DAPP -District Alateen Process Person – about what the timeline is. If you are in a District with no Alateen process person it will be the District Representative who fulfills this important assignment.

**Important AND required!**

One of the questions in the recertification process is, "Have you attended Alateen Safety and Behavioral Requirement training in the last 12 months?"

District 3 will have this training at their January District Meeting.

The Area Spring assembly in Kanab (March 22) will have a session.

Other opportunities will be posted here on the Area website.

Or contact Ked K, Utah Area Alateen Coordinator. 385-426-9651
