

The AMIAS recertification for 2025 was a success.

All AMIAS who were willing and able to continue serving fulfilled the requirements on time. I appreciate the District Reps who helped make sure everyone was contacted and a huge thank you to Ked for making sure everyone accomplished the required safety training.

A highlight since spring assembly is we now have 3 AMIAS in district 9!

It has been such a blessing for me to serve in this capacity the last 3 years.

I look forward to passing along all the records, recertification information, and training the new area AAPP in January and I'm excited about new and different opportunities to serve.
