

## Utah Area Fall 2025 Assembly

### District 9 Report

The Moab meeting continues as a hybrid meeting.

The Monticello meeting is an in-person meeting with phone call-ins.

The District hosted a table at a May Wellness event in Moab. May is Mental Health Awareness month. Al-Anon Faces Alcoholism booklets were available as well as other outreach material.

The District provided AFA's to the Monticello group, to the Step One office at Castlevue Hospital in Price and to USARA in Price.

District 9 will host the Utah Area Spring 2026 Assembly in March. Work has already begun.

Respectfully submitted by: Jan Rastall, District Representative, District 9
