

District Representative Report D/3

Fall Assembly 2025

Submitted by Denise Lauer

District 3 is doing well. We had our district elections on August 16 and filled every position. We have 28 active meetings in the district.

We are still struggling with attendance at our Alateen meetings which are held on the 2nd and 4th Mondays of each month at St. James Episcopal Church. We also have an Alateen meeting in Midway that meets 1st Monday of the month.

Currently we have 11 AMIAS in our district.

We participated in a public outreach event for the military and veterans in July, and also participating in Recovery Days at Jordan Park on September 13.

We held our A Day In Al-Anon in August. A great day for fellowshipping with other members of the program.

We will also be holding our annual District Holiday Fundraiser on December 6.
