

Report for Spring Assembly 03/21/26

AAPP-Denise Lauer

As the AAPP for our area, I am working with each district APP to begin the recertification process. All AMIAS must have the Safety and Behavioral Training annually. Fortunately, Ked K. is able to assist with this process until our area elects a new Alateen Coordinator.

Many of our AMIAS are also required to get the fingerprints and background check updated this year in order to recertify for Alateen service.

I have acquired access to the BCI system in order to verify the fingerprint/background checks are completed.

Our recertifications for all Alateen groups and AMIAS must be completed by June 15, 2026.

Currently:

District 1- has 8 AMIAS

District 3- has 12 AMIAS With 2 new applications being processed

District 6- has 1 AMIAS

District 8- has 8 AMIAS
