

SPRING ASSEMBLY 2026 March 20-22, 2026

Moab, UT

AREA LITERATURE COORDINATOR- Kevin Bernard

I have been very busy with the planning of a Area writing workshop being held at the spring Assembly this Month in Moab, but also being overwhelmed with the amount of information regarding our Literature from WSO and all the other literature Coordinators within our world wide panel.

The serve manual is now available on line only, for now it will be in print some time in April. The 2025 Conference Summary is now available for purchase and on line.

For those members that want e-books, there are now 18 items available as e-books, the latest being Alanon 12 Steps and 12 Traditions (B-8), Opening our Hearts (B-29) As We Understand (B-11), In All Our Affairs (B-15), these are just a sample of the 18 now available.

Hope to submit all of the writings from Friday's workshop to both WSO for use in the Forum, and other literature pieces that are being worked on, and also to submit to our Alanews, hopefully everyone will get published on one or both platforms.

Finally, thank you for allowing me to be of service.

In Service

Kevin Bernard

Area Literature Coordinator.
