

District 8 Report
Fall Assembly 2026
Sheri H, DR

Reporting on the events and changes in our district since Spring Assembly 2026.

- We still have 12 active groups including 1 Alateen.
- Our Public Outreach Coordinator, Sheila, has been busy with her committee getting out to the community resource facilities (Rehabs, Hospital, Police/Fire Stations, Schools, etc) to share AFA's and other outreach material.
- We had our "A Day in Al-Anon" event in April that was a great success. It was a fundraiser as well, to help increase our operating funds.
- In June we hosted the Delegate's Day, South.
- July was HOT but the Alateen group held a Beat the Heat event
- To cool off from the sizzling St George heat - the district held another fundraising event in Cedar City. – BINGO & Bake Sale!
- The full details of these activities and information of our September events will be provided at the assembly.
