

District Representative Report D/3
Fall Assembly 2026
Submitted by Kurt Larson

We have had 7 District meetings this year. Each service member in District 3 is picking up where their predecessors left off and is moving forward with their respective positions.

We currently have 30 active meetings in the district, which is a decrease of 1 since the last Assembly.

The district held its annual Chili Dinner and Dessert Auction Fundraiser in April 11. We also had a Pizza Day in the Park in August. The district has been attracting many folks through attendance at many Recovery Eventsfall.

The district is working on setting up several future events for the year.

The district hopes to provide several workshops focused on helping each of us continue progress on our Alanon recovery journey.
