

Website Report

Fall Assembly 2026

We need your feedback! Please kindly fill out this [survey](#) on how the website is working for you. We will also be providing flyers with a QR code to bring back to your groups. The deadline for feedback is October 31st!

This position has been a great learning experience for me in humility and asking for help. At times keeping up with the website updates has felt overwhelming, and I have been stuck in a mentality of trying to do it all myself. I really appreciate my friends in the program that have been there and encouraged me to ask for help, despite my strong resistance!

With that, I'm excited to share that we have formed a Website Committee to help manage the website. Thank you to Rachel B, Dave B, and Megan H for volunteering! We will be meeting once a month to coordinate, as well as taking one-week shifts to make website updates. Also thank you to Kathryn L for filling gaps and making updates when I was overwhelmed.

On that note, I would ask that you please send all website update requests to utahweb@utah-alanon.org so that the committee will be able to make the updates as soon as possible. Otherwise, requests may get lost in my personal email or have a slower response time.

As mentioned above, we are in the process of gathering feedback so we can prioritize improvements to the website over the coming year. Please take the [survey](#) mentioned above and bring it back to your groups, so we can get maximum participation. The more feedback we get, the more we can align with our needs! We will also have the "Get to Know Your Utah AWSC" session on Sunday morning during assembly if you would like to have direct conversations. Feedback is due by October 31st, so let's chat!

With your feedback, we plan on meeting in November to prioritize the next steps for the website. We'd like to get started on website improvements right away, and plan on sharing our progress in Spring Assembly.

Thank you for letting me be of service!
Brett D
