Utah Area Election Guideline and Procedures

The purpose of this guideline is to describe eligibility and the procedures for the election of Utah Area Officers and Coordinators. This guideline is not intended to replace the information in the Al-Anon/Alateen Service Manual but to supplement the Service Manual.

Because of the unique nature of both programs, Al-Anon/Alateen members who are also AA members do not hold officer or coordinator positions leading to membership in the World Service Conference (WSC).

The term of office is three years beginning January 1 of the year following the election.

ELIGIBILITY

AREA OFFICERS

All present or past members of the Area World Service Committee (AWSC) are eligible to stand for any area officer position. The names of eligible members who are present will be displayed in plain sight of all those in attendance. There are no term limits except for the delegate who may serve only one consecutive term. If the alternate delegate must finish the term of the delegate, regardless of the time left in that term, the alternate delegate is eligible to stand for his/her own three-year term as delegate. Area officer positions are Chair, Delegate, Alternate Delegate, Treasurer, Recording Secretary, and Group Records Secretary.

AREA COORDINATORS

All present or past members of the AWSC, Group Representatives or interested active Al-Anon members with at least 1 year of active membership (2 years for the Alateen Coordinator position) are eligible to stand for an Area Coordinator position. Area coordinator positions are: A.A.I.S., Alanews, Alateen, Alateen Process Person, Archives, Forum, Guidelines, Literature, Public Outreach, Technology, and Website.

PROCEDURES

It is a long-standing principle of one vote per group. During the Fall Election Assembly prior to January 1, the outgoing Group Representatives elect the incoming Area Officers and Coordinators. An Alternate GR or a group member requested by the group to vote for the group may vote if the GR is unable to attend the assembly. Elections will be held by a written ballot. Each Area Officer and Coordinator will be elected by a two-thirds majority vote. (Utah Area motion log, Voting, motion 3-20-1993)

Elections will be held during the business part of the Assembly, starting with the election of the Delegate, followed by Alternate Delegate, Chair, Treasurer, Recording Secretary, and Group Records Secretary. In the event no one stands for one of the Officer positions, the Chair may ask for nominations from the list

of candidates. It is suggested that coordinators' elections be alphabetical (as listed above) but can be changed at the discretion of the Chair.

AREA OFFICERS

1. Candidates must be present. It is highly suggested that attendance be 'in-person' at the Assembly, but if circumstances prevent that possibility, then attendance via digital platform is accepted.
2. The names of all candidates eligible to stand for any Area Officer will be posted in full view of the conference. The Chair will go through each name and ask if they are willing to stand for the position being elected. Those willing to stand for each position will be posted on another list for the purpose of counting the ballots.
3. Willing members need to present an oral resume for the role they are seeking, to include past experiences that will aid them as an Area Officer.
4. The Secretary calls the roll of voting members. Non-voting members are selected to serve as tellers, collectors of ballots and to record and tally votes.
5. Ballots are cast, collected, and given to the tellers to count. Votes will be recorded alongside the names of the candidates.
6. The first candidate to receive a two-thirds vote is elected.
7. If after three votes no one has the required two-thirds vote, and if two candidates each have 40 percent or more of the total vote, the Chair may suggest the two leading candidates stay and the others withdraw. Another ballot is taken. If there is still no two-thirds majority, the choice will be made by a blind draw.

AREA COORDINATORS

1. **For Area Coordinators only** - anyone eligible and willing to stand for a Coordinator position but unable to be present at the assembly may send a Letter of Intent and, if possible, a picture to the Area Chair two weeks before the Election Assembly. An AI-Anon resume shall be included with the letter.
2. For each Coordinator position the Area Chair will ask all interested and eligible members to stand. The Chair will solicit nominations from the Assembly and ask any nominated member if she/he is willing to stand for the position. All eligible candidates will be listed in full view of the conference for the purpose of counting the ballots.
3. Voting will follow the same procedures in #4-7 as for Area Officers.
